Quality Policy

To provide the highest quality of food, reliability and effectiveness in prepared foods, while continually meeting or exceeding our clients' expectations.

We will exceed the expectations of our customers by providing superior food quality and exceptional service.

Products and services are monitored through continuous management participation and customer response.

CCS has implemented a Quality Management System to provide assurance to all our valued clients.

To achieve our quality policy we established goals and review them on a regular basis.

A handwritten signature in black ink, appearing to read 'Dylan Amlot'.

Signed

Date 26/3/2010

Name : Dylan Amlot
